

iPure Water Station

Effortless

Capacitive touch icons offer intuitive effortless dispensing.

Advanced

Internal microprocessor controls and monitors system functions.

Smart

LCD Smart screen displays messages, system status, and service alerts.

Accommodating

Extra-large and well-lit, the 12-inch dispense area makes refilling even the largest containers a breeze.

Refreshing

Advanced reverse osmosis and multi-stage carbon filtration deliver a continuous supply of fresh, clean drinking water.

Clean

In-tank LED UV technology, anti-microbial surfaces, and no-touch filter changes keep the system clean inside and out.

Smart Technology That Engages and Informs

iPure Water Station

**PURE. SUSTAINABLE.
CONVENIENT. COST EFFECTIVE.**

DESIGNED WITH YOU IN MIND

At Stratus, we believe that personal hydration products should reflect the people that use them, and the beauty, efficiency, and ease of use we all desire.

A BETTER WAY TO HYDRATE

Stratus' bottleless dispensers provide greater hygiene and increased sustainability compared to bottled and antiquated filtration systems. The latest filtration and LED UV technologies provide a continuous supply of clean, fresh tasting water without the need for bulky 5-gallon or plastic single-use bottles.

REFILL AND REFRESH

iPure 

Enjoy capacitive touch dispense icons, LCD smart alert display, and large 12-inch dispense area of easy refilling of your favorite container.
